Public Hearing Set To Air Fair Prices On 1968 Cane Crops

The US Department of Agriculture today announced public hearings on fair prices for the 1968 Florida and Louisiana sugarcane crops, and on whether the wage determination applicable to field workers — which became effective on October 23, 1967, in Florida, October 16, 1967, in Louisiana — should be continued or amended.

The local hearing will be at Belle Glade, Fla., on June 20, 1968, in the Holiday Inn, beginning at 9:30 a.m.

To qualify for payments under the sugar act of 1948, as amended, producers must pay all persons employed on the farm in producing, cultivating, or harvesting sugarcane in full and at wage rates not less than those determined fair and reasonable by the Secretary of Agriculture after public hearing and investigation, according to Sam Schooley, County Office Manager.

Another condition for payment is that producers who process sugarcane grown by others must pay prices for it also determined fair and reasonable by the Secretary, said Schooley.

USDA requests that all interested persons appear at the hearing to present views and pertinent data. In Florida, information and recommendations are sought specifically on the need for other skilled worker classifications, wage differentials between classifications of workers, need for continuing an apprentice rate for operators of mechanical equipment, methods of determining piecework rates for cutting sugarcane, strapping of sugarcane cutters, wage payment practices for time spent by the worker in the field pending reassignment in other work, and on the pricing factor used in determining the price per ton of standard sugarcane.

Matching funds are available from state appropriations said Maher, to build the planned library and conference room. Start of construction has not been announced.

This will be a central location for statistical equipment where the four topics of study will be pasture, forestry and sugar cane.

Panel Asks Continuous Pressure For 4-Laning Of "Killer 80"

A panel of three visitors to the Tuesday night meeting of the Belle Glade Junior Woman's Club talked on the subject of the four-laning of "Killer 80" and brought out that even though there has been repeated publicity on the dangerous condition of the highway, Glades area residents still do not realize the imminent danger.

The three panelists were: Commissioner E. W. "Bud" Weaver, City Commissioner of District 3, Leffron Williams, and Felton Morris, principal of the Belle Glade High School. All are members of Canal Hazard Safety Committee, Williams is president.

The visitors each voiced his concern that before more deaths occur, we need to, as a community, let the State Road Dept. know how desperately this road is needed by writing to Jay Brown, State Road Dept. Tallahassee, Fla., requesting a new routing for "Killer 80."

"This highway is not only a menace by which the Glades people go to West Palm Beach for a luxury evening, it is also the only way of getting our extremely ill people to the medical specialists they so desperately need," said Commissioner Weaver, who went on to say it is a much needed road, on which some portions, "the death rate is eight times the national average."

The proposed new route has been drawn by engineers, and will be a continuation of Okeechobee Rd. in West Palm Beach, terminating at the County Offices in Belle Glade.

Scandinavian Group Plans July 4th Celebration At Marina

A group of 20 members of the Scandinavian American Societies of Florida, Palm Beach and Dade County chapters, attended a luncheon meeting at the Belle Glade Country Club, Sunday, to discuss plans for the annual July 4th celebration at the Marina with chamber of commerce President Jim Graham.

Attending with Graham, was his wife Shirley, and Avery Bass.

Other Glades area residents attending were Mr. and Mrs. H. J. "Andy" Anderson of Pahokee, who started the traditional celebration of the group here inviting Danes from Miami to their farm as the southern city limits of Pahokee on Hwy. 715.

Anderson recalls that the last group before the celebration was moved to the Marina in 1967 was 160-180 people. A much larger turnout is expected at the Marina this year.

The day long affair is open to all Glades residents, who might enjoy the native customs that will be worn and the fellowship with members of the group, said Erik Neilson, group spokesman. Folk dances are planned and an accordion player has been invited for music, besides records.

Food and drinks will be supplied through the Belle Glade Lion's Club concession at the Marina, according to Jim Graham, president of the club.

This year will mark the 57th year that our national holiday will be celebrated in Denmark.

Students Travel To Brazil For Summer

"It all started with a Lion's Club luncheon program in West Palm Beach," said H. Susan McCall, whose son Howell, 14, will travel to Misau, Brazil, June 17, to spend the summer in a student exchange with a doctor of that country.

Colette Carpenter, 16 year old daughter of Mr. and Mrs. Milton Carpenter, completes the exchange agreement.

In Minnau the two students will be the guests of Dr. and Mrs. Orlando Frota, who have two children, age 13 and 15, who will complete the exchange this winter by coming to Florida for Christmas.

Dr. Frota is a physician-surgeon in this city of about one-half million, located approximately 1,000 miles inland on the Amazon River.

The two Belle Glade students have been studying Portuguese under Mrs. Maurice Gilchrist of West Palm Beach, who was the guest speaker at the Lions Club luncheon on the coast the city.

McCall visited there. Mrs. Gilchrist also spoke to the Belle Glade Woman's Club in March.

For many years Mrs. Gilchrist was a foreign service career woman for the U.S. Government in the Rubber Development Corporation in the Amazon Valley. It was through the diplomatic service with her late husband that she met the Brazilian doctor.

Mrs. Gilchrist returns frequently for vacations in Brazil and because of her good will missions there has been awarded the Stetson University Commendation for International Good Will.

Interview A Miss Cuba Libre.

La Sra. Elina Salabarría, Miss Cuba Libre, elegida en el concurso que se celebró en el 1967 para elegir a Miss Universo, vino a Belle Glade el pasado Sábado para servir de anfitriona y juez, en el Festival Bailable "Tiempo Muerto" que tuvo lugar ese día en el "Holiday Inn".

A su llegada le hicimos la siguiente entrevista:

1. Cuales fueron tus reacciones en la emoción de ser elegida, Miss Cuba en el Dade County?

"Sentí una alegría muy grande, de poder representar a Cuba en el Concurso de Miss Universo; pero también tristeza sabiendo que Cuba estaba excluida."

2. Que impresión pudo captar en su trato con las muchachas de Sur-America y Centro-America y demás países en cuanto a la situación de Cuba?

"Me parece que las muchachas desconocían la realidad de Cuba, es mas, pensaban que yo era representante del Gobierno de Fidel Castro, y me preguntaban como me había dado visa para salir del país. Realmente, la única entrada era Miss Mexico, pero por lo menos esas muchachas conocieron que existe un exilio."

3. Conténtenos las actividades que tuvo durante el año, como representante de Miss Cuba Libre.

"Asistí al concurso de MISS UNIVERSO, y el día 31 de Diciembre en Miami, en la famosa Parada de Año Nuevo, desfile en una carroza. La única extranjera fui yo. Las demás eran Misses de los distintos estados de este país, y Miss Universo."

4. Cuales son sus planes para el futuro?

"Con el favor de Dios pienso graduarme el año que viene en el Barry College en Miami. Allí estudio Arte, y después de graduada pienso ser maestra de una escuela del Dade County."

Prizes Awarded In Golf Tourney

On June 5, the Ladies Golf Association held the last meeting of the season with a luncheon and presentation of prizes for the Ladies Handicap Golf Tournament held in April.

Kat Week, Tournament chairman, presented the winners with prizes. Bce Wood won 1st prize for low net in the 54 hole tournament. Her name was also inscribed on the continuing Golf Trophy at the Clubhouse, which has donated several years ago by the Bank of Palmbeach. It is a huge trophy. Zelma Betner's name was the first.

Others winning prizes were Louise Rhodes 2nd low net; Maggie Fajard, 1st low gross; Kat Weeks, 2nd low gross and Zelma Betner, low putt. Louise Rhodes, Team Captain for play in the county, presented Amy Whidden a gift for winning the most individual points for team in the Palm Beach County Golf Association.

During the business meeting election of officers was held. Louise Rhodes was elected president; Ramona Knight, Tournament Chairman; Edith Van Landingham, Treasurer and Secretary; Amy Whidden, Handicap chairman.

The group voted to raise yearly dues to the Association to \$10.

The Ladies Golf Association will recess for the month of June, July and August with fall play beginning in September after Labor Day.
